Raising Kick-Ass Girls, A Father's Journey Shay Jensen

When asked how many children I have, I have been responding recently that I have one son and four kick-ass girls. I noticed that people either laugh out loud or break out in a smile when I say this.

A short time ago, as I was driving down the highway near my home, a complete table of contents appeared in my mind's eye. I wrote it down, typed it into my computer as soon as I got home and set it aside.

I gave it a lot of thought and realized that I had quite a bit to do with this phenomenon. Currently, my girls range in age from 45 to 24 years. All of them are optimistic, mentally strong, think for themselves, don't let other people push them around, and are productive, to name just a few of their characteristics.

This is not to say they are not feminine. For they certainly are. They are just independent thinkers.

This book is more of a manual and is written from a father's perspective. A guidebook, as it were. It covers 20 areas, from infancy through the teen years. While they were growing up, I gently, deliberately, prodded, advised, encouraged them and, in this way, helped make them into the women they are today.

The reader should keep it, read it and refer to it for help in the areas of life in which we all, as parents, are confronted with behaviors that can be puzzling and difficult to figure out what to do.

Areas such as the inevitable first discussions about sex, the first time they experience a lost love, challenging them in such a way as to get a positive outcome, helping them to solve their problems.

It is not meant to provide solutions but merely to suggest ways in which I handled situations and, therefore, to give you a starting point.

We hope you enjoy the book.

You also might get the e-book of Raising Kick-Ass Girls, A Father's Journey from the publisher to make you far more enjoy free time.

James Williams:

Spent a free time to be fun activity to complete! A lot of people spent their sparetime with their family, or their friends. Usually they carrying out activity like watching television, gonna beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Could be reading a book can be option to fill your free time/ holiday. The first thing that you ask may be what kinds of guide that you should read. If you want to attempt look for book, may be the book untitled Raising Kick-Ass Girls, A Father's Journey can be very good book to read. May be it can be best activity to you.

Albert Collins:

Playing with family in a very park, coming to see the sea world or hanging out with friends is thing that usually you have done when you have spare time, and then why you don't try issue that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Raising Kick-Ass Girls, A Father's Journey, you can enjoy both. It is great combination right, you still would like to miss it? What kind of hang-out type is it? Oh can happen its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.

Miriam Normandin:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Raising Kick-Ass Girls, A Father's Journey can make you truly feel more interested to read.
