Time is the Ally of Deceit Richard Rives

There is a way that seemeth right unto a man, but the end thereof are the ways of death. ...Proverbs 16:25
Many aspects of Traditional Christianity cannot be found in the Bible. They can however be traced directly to the worship of pagan gods which predate Christianity by centuries. How is it that precepts that have nothing to do with Christ and everything to do with pagan sun worship have found their way into our churches? History reveals that there is one very good answer: Time is the Ally of Deceit.

FLEE TO THE MOUNTAINS: First century believers, based on the warning by Jesus left Jerusalem prior to its destruction in 70 A.D.

BAAL COMES TO ROME: During the third century Roman emperors brought the worship of Baal to Rome consolidating the worship of all the sun gods under the title Sol Invictus.

THE PERSIAN SUN GOD MITHRA: Historians report that during the 4th century the worship of the Persian sun god Mithra mysteriously vanished as Christianity was established as the religion of the empire. Was it Mithraism that vanished? or true Christianity?

CONSTANTINE AND THE NICAEAN COUNCIL: While his coins state that he was committed to the sun god Sol Invictus, Constantine became known as the First Christian Emperor. Presiding over the Council of Nicaea the date for the observance of Passover was changed from the Biblically prescribed timing.

REMEMBER THE SABBATH DAY: Many theologians would tell us that Sunday has replaced the 7th day Sabbath: that in fact the law has been "nailed to the cross." Jesus said that until heaven and earth pass away not even the slightest aspect of the law would change.
