The 2007 CodeTracker area code map is an 8.5 x 11 inch, full-color map laminated with a robust UV resistant plastic coating. Perfect for pinning to walls, filing close to the phone or carrying around.

CodeTracker shows up-to-date area codes for over 400 US cities. Search the reverse-side for listings by area code and see current and future code changes plus time zones. It's the simplest way to cross reference cities and area codes fast. The 2007 CodeTracker has the most up-to-date and complete listing of all area codes in the North American Numbering Plan, including all of the US, and Canada, as well as parts of the Caribbean & the south Pacific (newly incorporated into the North American Numbering Plan). On the map, all existing area codes and their boundaries are clearly shown. They have included blow-up details for major cities so you can see the old and new boundaries and their corresponding area codes. All currently scheduled changes for 2007 are included on the map and their boundaries are clearly shown.
