**James Soltero:**

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's internal or real their passion. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country.
