Killer Instinct

S.E. Green

Killer Instinct S.E. Green

A teen girl version of *Dexter* meets the high stakes danger and mystery of *The Girl with the Dragon Tattoo* in this “unique, beautifully twisted, and rich” (#1 *New York Times* bestselling author, Jennifer L. Armentrout) debut.

Lane is a typical teenager. Loving family. Good grades. After-school job at the local animal hospital. Martial arts enthusiast. But her secret obsession is studying serial killers. She understands them, knows what makes them tick.

Why?

Because she might be one herself.

Lane channels her dark impulses by hunting criminals and delivering justice when the law fails. The vigilantism stops shy of murder, but with each visceral rush, the line of self-control blurs. And when a young preschool teacher goes missing—and returns in pieces—Lane gets a little too excited about tracking down “the Decapitator,” the vicious serial murderer who has come to her hometown.

As she gets dangerously caught up in a web of lies about her own past, Lane realizes she is no longer invisible or safe. Especially after the Decapitator contacts her directly. Now she needs to use her unique talents to find the true killer’s identity before she—or someone she loves—becomes the next victim...

From reader reviews:

Jorge Hinkley:

Book is to be different for each grade. Book for children till adult are different content. As it is known to us that book is very important normally. The book Killer Instinct seemed to be making you to know about other information and of course you can take more information. It is rather advantages for you. The publication Killer Instinct is not only giving you considerably more new information but also to get your friend when you sense bored. You can spend your personal spend time to read your reserve. Try to make relationship with the book Killer Instinct. You never truly feel lose out for everything when you read some books.

Eleonora Plunkett:

This Killer Instinct is brand-new way for you who has interest to look for some information given it relief your hunger info. Getting deeper you onto it getting knowledge more you know or perhaps you who still having small amount of digest in reading this Killer Instinct can be the light food to suit your needs because the information inside this book is easy to get simply by anyone. These books acquire itself in the form that is reachable by anyone, yes I mean in the e-book type. People who think that in guide form make them feel drowsy even dizzy this guide is the answer. So there is no in reading a book especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss it! Just read this e-book type for your better life in addition to knowledge.

Marie Clayton:

As we know that book is important thing to add our know-how for everything. By a guide we can know everything you want. A book is a list of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This e-book Killer Instinct was filled concerning science. Spend your time to add your knowledge about your science competence. Some people has different feel when they reading a new book. If you know how big advantage of a book, you can experience enjoy to read a reserve. In the modern era like today, many ways to get book that you just wanted.

Dennis Jenkins:

A lot of e-book has printed but it takes a different approach. You can get it by world wide web on social media. You can choose the best book for you, science, witty, novel, or whatever through searching from it. It is identified as of book Killer Instinct. You can contribute your knowledge by it. Without leaving behind the printed book, it might add your knowledge and make anyone happier to read. It is most critical that, you must aware about book. It can bring you from one place to other place.
