**Primer to The Immune Response** Tak W. Mak, Bradley D. Jett, Mary E. Saunders

*Primer to The Immune Response* is an invaluable resource for college students, university undergraduates and students in medicine and other health professions who need a concise but complete and understandable introduction to immunology.

This book is written in the same engaging conversational style as the published reference book *The Immune Response: Basic and Clinical Principles* and conveys the same fascinating appeal of immunology. The authors bring clarity, readability and continuity of voice to an audience that requires only a brief survey of the most fundamental concepts in basic and clinical immunology. *Primer to The Immune Response* is beautifully illustrated with over 200 superb figures and 36 full-color plates, and further enhanced by the inclusion of 60 tables and 6 Appendices. Included with purchase of the book is website access to a captivating “Immunomovie” that truly brings the immune response to pathogens to life. This new and unique immunology textbook compactly but elegantly covers both basic and clinical principles.

- Over 200 elegant 2-4 color illustrations
- 36 full-color plates of basic and clinical items of interest
- Take-home message and “Did You Get It?” self-test quiz at the end of each chapter
- 6 Appendices that provide topic enrichment
- 60-minute “Immunomovie” illustrating the immune response to bacterial, viral and parasitic infections
- Companion website housing illustrations/plates and immunomovie
