## Standard Catalog of American Cars, 1946-1975

This revised fourth edition is the ultimate reference source for all postwar American cars. Values have been completely revised through 2002 and exciting new color photos have been added to better illustrate the domestic automobiles produced between 1946 and 1975. This standard catalog also includes the technical specifications, information on vehicle identification numbers, historical facts, and production totals collectors have relied upon for years. Since the first edition was published, this book has become the standard reference resource of all car collectors and enthusiasts. From the publisher of Old Cars Weekly.
