**The International Children's Bible** Thomas Nelson

The first and the best version translated just for kids!.

A Bible your children can read and understand! Most children don't understand adult words like *atonement*, *redeem*, or *oracle*. Yet, children are commonly given modern versions of the Bible that use dozens of such difficult words.

Now, children can more easily understand the Bible. Twenty-one trusted Bible scholars carefully selected words at a third-grade reading level for this translation of the complete Bible. Ideal for Sunday school promotions and other gift-giving occasions.

"Jesus asked the little ones to come to Him, and the International Children's Bible makes it a little easier for them to hear His call." - Max Lucado
