Julian Bell: From Bloomsbury to the Spanish Civil War

Peter Stansky, William Abrahams

Julian Bell: From Bloomsbury to the Spanish Civil War Peter Stansky, William Abrahams

Julian Bell explores the life of a younger member, and sole poet, of the Bloomsbury Group, the most important community of British writers and intellectuals in the twentieth century, which includes Virginia Woolf (Julian's aunt), E. M. Forster, the economist John Maynard Keynes, and the art critic Roger Fry. This biography draws upon the expanding archives on Bloomsbury to present Julian's life more completely and more personally than has been done previously. It is an intense and profound exploration of personal, sexual, intellectual, political, and literary life in England between the two world wars. Through Julian, the book provides important insights on Virginia Woolf, his mother Vanessa Bell, and other members of the Bloomsbury Group. Taking us from London to China to Spain during its civil war, the book is also the ultimately heartbreaking story of one young man's life.
