Minecraft is an incredible world, filled with adventure, excitement, and a wide array of characters. Have you ever wondered how these characters interact with each other? More than that, how do they react to Steve?

All of that changes when a mysterious, green-shirted stranger named Steve appears. The villagers claim that he is there to save them from the evils of the surrounding land, but he's got his work cut out for him. When Steve decides to go after the local witches, our wicked protagonist takes matters into her own hands. The result is a cat and mouse battle that pushes both of them to their extremes.

Only one of them can survive, and it's up to the witch to figure out how to defeat the one man that even the Endermen fear to face.
