Stay With Me

Maya Banks

Stay With Me Maya Banks

Getting her back will be the toughest deal they've ever negotiated.

On the night of her fifth anniversary, Catherine Cullen-Wellesley intends to break the news to her two husbands. She's pregnant with their child. It'll be the perfect preamble to the vacation they've promised her: Two weeks on a Jamaican beach. No cell phones, no emails, no business. And she hopes that the news of her pregnancy—plus two weeks of reclaiming the closeness that had always been so much a part of their marriage—will help bridge the ever widening gap in their now distant relationship.

But when Logan and Rhys call off the trip for yet another business emergency—something that's happening with more and more frequency all the time—and absolutely no mention of their anniversary dinner or that they'd stood her up yet again, Catherine faces some difficult truths. She hasn't come first in her busy husbands' lives in a long time. And she deserves better than what she's been getting—or not getting—from the two men who vowed to love her and always put her first. So she packs her bags for her long-awaited vacation—alone. It'll give her a chance to figure out what the hell she's going to do with the rest of her life. When Logan and Rhys come home to an empty house, they realize two things: One, they've been taking their precious wife for granted for far too long, and they now realize—perhaps too late—that she may well have finally had enough. Two, they're not willing to just let her walk out of their lives without one hell of a fight and the chance to prove to her that nothing is more important to them than her love.

Winning her back will be the most difficult battle of their lives—more important than any business deal they've ever negotiated. One where they could lose everything that ever truly mattered to them. Their wife.?

From reader reviews:

James Stewart:

Book will be written, printed, or highlighted for everything. You can know everything you want by a publication. Book has a different type. As we know that book is important factor to bring us around the world. Alongside that you can your reading talent was fluently. A publication Stay With Me will make you to end up being smarter. You can feel much more confidence if you can know about anything. But some of you think in which open or reading a book make you bored. It isn't make you fun. Why they can be thought like that? Have you trying to find best book or appropriate book with you?

Billy Taylor:

People live in this new morning of lifestyle always aim to and must have the time or they will get great deal of stress from both way of life and work. So , whenever we ask do people have extra time, we will say absolutely of course. People is human not a robot. Then we consult again, what kind of activity do you possess when the spare time coming to you actually of course your answer may unlimited right. Then do you try this one, reading publications. It can be your alternative in spending your spare time, often the book you have read will be Stay With Me.

Rona Foret:

This Stay With Me is great guide for you because the content and that is full of information for you who else always deal with world and get to make decision every minute. This specific book reveal it data accurately using great plan word or we can state no rambling sentences included. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but hard core information with splendid delivering sentences. Having Stay With Me in your hand like getting the world in your arm, info in it is not ridiculous a single. We can say that no guide that offer you world within ten or fifteen moment right but this book already do that. So , this can be good reading book. Hi Mr. and Mrs. hectic do you still doubt that will?

Alexander Ray:

Don't be worry for anyone who is afraid that this book can filled the space in your house, you will get it in e-book method, more simple and reachable. This Stay With Me can give you a lot of friends because by you taking a look at this one book you have matter that they don't and make you more like an interesting person. That book can be one of one step for you to get success. This e-book offer you information that possibly your friend doesn't know, by knowing more than different make you to be great people. So , why hesitate? Let's have Stay With Me.
