Stephen T. Asma

The Gods Drink Whiskey: Stumbling Toward Enlightenment in the Land of the Tattered Buddha

Stephen T. Asma

A sometimes funny, always thoughtful, action-packed spiritual travelogue through Southeast Asia where the oldest form of Buddhism is slowly emerging from its post-Khmer Rouge oppression.

The Gods Drink Whiskey is about a relatively unexplored part of Buddhism—the Theravada Buddhist tradition (considered the oldest and purest form of Buddhism, which focuses on the historical Buddha) as it is manifested in Southeast Asia (Cambodia, Thailand, Vietnam, Sri Lanka, etc.). An accomplished teacher, Asma tells wonderful, exciting stories about his time in Southeast Asia teaching Buddhist philosophy in Phnom Penh years after that area (and its religion) was decimated in the early 70s by the Communist Khmer Rouge and the invasion by US and Vietnamese troops. Through his first-hand experiences (of drinking with holy men and poets, encounters with overzealous Christian evangelical missionaries, witnessing a political assassination, climbing mountains to visit ancient animistic temples, observing the clash of Western pop culture and Southeast Asian culture, etc.), Asma successfully teaches the reader a great deal about Buddhism.

In addition to observations on Western/Eastern culture clash which these books provide, the edge Asma has going for him is his academic credentials and interests which focus his book more on explaining the tenets and history of Buddhism within the context of a lively travelogue.

o For armchair travellers and those interested in Buddhism and Eastern Philosophy.

o Asma has a wonderful narrative style that draws the reader in and keeps them reading—he's a born storyteller, and this book is all about the stories—both his and the unusual people and places he meets.

o There has been relatively little written about the Theravada Buddhist tradition (the oldest branch, which focuses on the historical Buddha); Asma explores and immerses himself in Theravada Buddhism as it's practiced in Southeast Asia, and finds it much different than he expected.

o Asma has taught Buddhism for several years, and in his travels, experienced Buddhism in its many forms.

David Swanson:

In this period globalization it is important to someone to get information. The information will make a professional understand the condition of the world. The condition of the world makes the information quicker to share. You can find a lot of personal references to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher that print many kinds of book. The particular book that recommended for your requirements is The Gods Drink Whiskey: Stumbling Toward Enlightenment in the Land of the Tattered Buddha this guide consist a lot of the information in the condition of this world now. This kind of book was represented how does the world has grown up. The vocabulary styles that writer make usage of to explain it is easy to understand. Typically the writer made some investigation when he makes this book. Here is why this book suited all of you.

Bonnie Howe:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Gods Drink Whiskey: Stumbling Toward Enlightenment in the Land

of the Tattered Buddha can make you feel more interested to read.
